

## Who Are We?

### Mission Statement

The mission of the United Way of Gloucester County is to be the leader in building community capacity to foster individual well being.

### Vision

Through collaboration with the United Way, consumers and providers of health and human services in Gloucester County will be more self-sufficient.

### Goals

- Be the recognized leader in identifying and addressing critical community needs
- Stimulate community involvement
- Develop resources sufficient to meet community needs
- Affect sustainable solutions
- Enable self-sufficiency
