

Fisher Center for Alzheimer's Research Foundation is committed to finding the causes and cure for the more than 5.8 million people living with Alzheimer's.

- \$1 per pay period provides the support needed to maintain our equipment and in-house facilities for one hour.
- \$3 per pay period provides our researchers with the ability to work for one hour in the lab.
- \$10 per pay period provides the support needed to run our entire lab for one hour.
