

AIDS United is working to end the HIV epidemic in the United States through its public policy advocacy efforts and by making program grants and capacity building services available to grassroots organizations representing those directly impacted by HIV.

- For \$25 per month, AIDS United can provide three full-pay scholarships to AIDSWatch, our signature, annual advocacy event
- For \$20 per month, AIDS United can offer 5 hours of capacity building consultation to a grassroots organization
- For \$100 per month, AIDS United can fund annual supplies for a local harm reduction program
