CHARITABLE VENTURES FOR GREATER GIVING

“After building our house, my hope for life changed.”

Habitat for Humanity International

Bir Ram’s worldview changed after his experience in Nepal with Habitat for Humanity International, a Global Impact charity partner.

“I can see my boys sleeping soundly. Their sounds sleep not only makes them healthy and happy, but it allows them to have better dreams,” says Bir Ram, reflecting on the home he built with Habitat Nepal. “My heart cries with joy because I know my kids are dreaming about a better future.”
