

Your gift will create a path to recovery; safe housing for children in need of a place to live; counseling for child survivors of domestic violence. Your gift will change lives.

With your gift, you will change the life of a child in need living in an emergency shelter. For a child without the support of family, your gift makes all the difference. Your gift will give a child the chance to heal, experience joy and reach their full potential.

You will create a path to healing through art therapy with your gift of \$1 per pay period. Your gift will provide art supplies, giving a child the chance to heal through art therapy.

With your gift of \$5 per pay period, you can make sure a child has a chance to experience joy through activities and outings that broaden horizons, which is critically important for kids who have experienced trauma in their past.

You will improve the chances for educational success for a child living in a group home who is without the support of family. Your gift of \$10 per pay period will provide a child with computer access and the tools to build a foundation for self-sufficiency through continued learning and access to technology.
